Agency: American Cancer Society  
Illinois Division, Inc.

When you support the American Cancer Society, you are joining a worldwide movement to help people stay well, help people get well, find cures, and fight back against cancer. The American Cancer Society is a global grassroots force with more than 130,000 volunteers in Illinois and millions elsewhere. We fight for every birthday threatened by every cancer in every community. Revenue raised in Illinois comes back to Illinois to help fund research, cancer prevention programs, and patient services in our communities. Your support can help us make this cancer's last century.

Thanks to donors like you, the American Cancer Society has achieved some terrific milestones, including:

- Today, 2 out of 3 people diagnosed with cancer are surviving (for at least five years). In fact, more than 400 people a day in the U.S. are celebrating birthdays that otherwise would have been lost to the disease.
- We've contributed to a 20% decline in cancer death rates since the early 1990s. That means we've helped save 1.2 million lives during that time.
- We've played a role in nearly every cancer research breakthrough in recent history.
- We help cancer patients everywhere get help when they need it – day or night. Last year alone, we assisted more than a million people who called us for help, providing free services such as a place to stay while traveling for treatment, rides to treatment, and emotional support. This unique program helps fill the pipeline of cancer researchers by matching science-minded high school students with mentors who are successful, leading investigators.

Agency: **American Heart Association**

When you donate to the American Heart Association, you are joining us in the fight against our nation’s No. 1 and No. 4 killers – heart disease and stroke. Your donation will support such life-saving efforts as research, education, advocating for better health, improving patient care and reaching populations at risk.

The American Heart Association is the nation’s oldest, largest voluntary organization devoted to fighting cardiovascular diseases and stroke.

**Our Mission:** Building healthier lives, free of cardiovascular diseases and stroke. Our mission drives everything we do.

**What We Do:** To improve the lives of all Americans, we provide public health education in a variety of ways.

(217) 698-3838 or (312) 346-4675
www.heart.org (20.9%)

**Our 2020 Goal:** We are working toward improving the cardiovascular health of all Americans by 20 percent, and reducing deaths from cardiovascular diseases and stroke by 20 percent, all by the year 2020. Our programs, educational resources and advocacy initiatives are all targeted at helping people identify and adopt healthier lifestyles. For more information, visit www.heart.org or call 1-800-AHA-USA1.

www.wuis.org/ris
Agency: EarthShare Illinois

EarthShare of Illinois is an alliance of leading nonprofit environmental and conservation charities, working across Illinois and the nation to protect human health and the environment. The environment is our drinking water, our neighborhood parks, our children’s schools, the air we breathe and the food we eat. Take care of the environment and it will take care of you. Donations are shared among our member groups to protect our environment, health, wildlife, and natural resources. One environment. One simple way to care for it.

Through the generosity of individuals at the workplace, EarthShare Illinois’ members are working locally, nationally, and globally every day to: Conserve and restore Illinois prairies and their native species; Preserve open space and local parks for our recreation, exercise, and wildlife; Plant millions of trees that clean our air, reduce topsoil erosion, and provide homes for wildlife; eliminate industry-caused mercury in our waterways and fish that can cause neurological damage; Reduce the number of asthma attacks children experience due to poor air quality; Increase energy efficiency which helps the environment and the economy; Offset the harmful effects of global warming; and Save endangered species, like the California condor and giant panda, and their habitats. We make it easy for YOU to make a difference. You can give to EarthShare Illinois or choose your favorite organization(s).

Designations

African Wildlife Foundation
Protects imperiled species--lions, mountain gorillas, rhinos, elephants, zebras -- through habitat conservation, science, leadership training and wildlife-friendly community-beneficial business development for more than 50 years.

Agency: **Special Olympics Illinois**

Part of an international program, Special Olympics Illinois provides year-round sports training, competition and a variety of skill-building opportunities for children and adults with intellectual disabilities. Athletes from every part of the state train for 8 weeks or more in 19 Olympic-type sports: alpine skiing, aquatics, athletics (track & field), basketball, bocce, bowling, cross-country skiing, equestrian, figure skating, floor hockey, golf, gymnastics, powerlifting, snowshoeing, soccer, softball, speed skating, tennis and volleyball. They are then eligible to participate at one or more of the 175 separate competitions held each year at the area local, district, regional and state levels, with athletes competing in divisions based on age, gender and ability level.

The benefits of Special Olympics Illinois extend beyond the field of competition. Through Special Olympics, athletes develop a sense of pride and hope. They enjoy greater confidence and self-esteem. And their participation increases society’s overall awareness of what these courageous athletes can achieve when given the opportunity.

Special Olympics Illinois relies solely on the contributions of corporations, individuals and civic organizations to make all of this possible. The organization is not funded by the Kennedy Foundation and is not a United Way agency. Nor does Special Olympics Illinois charge athletes or families to participate in the program.

Your contributions support the nearly 22,000 Special Olympics athletes, and additional 13,000+ Young Athletes (between 2 and 7), who benefit from this truly unique programming.

Agency: **UNCF-The United Negro College Fund**

America needs more college graduates. President Barack Obama has committed the country to regaining world leadership in the percentage of people with a college education.

Because America needs the teachers, scientists, public servants and citizens they will become, we need to make sure that African Americans and other minorities - who will be a majority of the population by 2050 - get the help they need to attend college and graduate. Furthermore, we need to ensure that our students get the education they need before college to prepare them for success in college.

That means America needs UNCF.

UNCF knows how to get students into college, succeed there, and move on to careers of success and service. We have been doing it for 71 years. We give college scholarships to almost 9,000 students at more than 900 colleges each year. We provide financial and capacity-building support to the 37 historically black colleges and universities that are members of UNCF and their 55,000 students.

That record is why more than 170,000 individuals, corporations and foundations invest in UNCF each year. Because America needs college graduates. Because it’s the right thing to do. And because, “A mind is a terrible thing to waste.”
