GOAL
$1.5 million
25% employee participation
Message from the 2017 CCFD Chair

Dear Colleagues,

Fall is here and it’s time to kick off the University of Illinois at Urbana-Champaign Campus Charitable Fund Drive (CCFD), our workplace giving campaign. The University of Illinois campaign is the largest in the state and is important to the success of our friends and colleagues within our community.

During the campaign, you can choose from more than 700 charities to support during the campaign. Please explore the CCFD page for more information in donating to those charities that are most important to you. It’s easy to participate in CCFD by giving your contributions via payroll deduction (we also accept checks).

As one of the most cost-effective forms of fundraising, CCFD participating charities truly appreciate the University’s support. They are able to budget more effectively knowing that a collective gift from the University’s faculty and staff will be distributed for their work throughout the year.

Our goal for the University’s Sesquicentennial year is **$1.5 million and a participation goal of 25%**. We can make this goal a reality by encouraging our fellow colleagues to participate – whether it’s a first-time donation of $150 or a returning donation of $5000 – every dollar impacts the services and resources available to our community.

In previous years, more than 3000 faculty and staff have participated to make an impact within the community. Let’s increase this number to help reach our financial and participation goals. Our success in helping our community is to come together and give!

Ready to start giving? Make your donation today!

**Your giving makes a difference!**

Sincerely,

Alma R. Sealine
Chair, 2017 CCFD Advisory Board

CCFD Terminology

**CCFD**: Campus Charitable Fund Drive. CCFD is a once-a-year workplace giving campaign that allows University of Illinois employees and retirees to conveniently give to the charities of their choice.

**CCFD Campaign**: The 2017 Campus Charitable Fund Drive begins on Monday, September 18 and runs eight weeks until Friday, November 10, 2017.

**CCFD Kickoff** will start off the campaign with a Leader Training September 15th at the Alice Campbell Alumni Center at 9:30am which will give hints on how various unit leaders make the CCFD campaign successful in their own units. At 10:15am we will break for the 2017 CCFD Charity Fair which will run from 10:15 to 11:45.

**CCFD Update**: Section and Unit Leaders will gather on Friday, October 20, 2017, at the Illini Union, Ballroom 2nd Floor, 3:00pm – 4:00pm to share strategies, celebrate successes. It only lasts an hour and all leaders are encouraged to attend.

**Charity Designation**: Many of the twelve Umbrella Agencies have individual designated charities to which CCFD contributors can donate. The list is more than 700 designated charities and they can be found on-line at: [www.ccfd.illinois.edu](http://www.ccfd.illinois.edu)

**501 (c) (3)**: These organizations are commonly referred to as charitable organizations. The Internal Revenue Service deems tax-exempt nonprofit organizations who are organized and operate exclusively for exempt purposes as not having to pay federal income tax. CCFD Umbrella Agencies and their designated charities, must be 501 (c) (3) approved by SECA and part of CCFD.

**SECA**: The acronym used for the (S) State and University ) Employees (C) Combined (A) Appeal
The SECA website is: [www.secaillinois.org](http://www.secaillinois.org) CCFD adheres to the parameters and policies of SECA.

**One Time Gift**: CCFD contributors may select to write a check for their donation. There is a One Time Gift Pledge Form to complete and it is submitted with their check(s) written to the Umbrella Agency.

A receipt may also be submitted with the One Time Gift Form if you have paid directly to a 501(c)(3) charity. The donation must be given to the charity during the dates of the current CCFD Campaign.

**Payroll Deduction**: An employee may donate to CCFD by giving each paycheck. Employees complete the Payroll Deduction Pledge Form on-line (preferred) or a paper copy. The Voluntary Payroll Deduction Act of 1983 created the employees’ giving campaign for the State of Illinois.

If an employee has given via payroll deduction in the past, their donation will rollover for the current year. Employees may make modifications. Payroll deductions begin in January 2018.

**Section & Unit Leader**: Leaders are U of I employees who volunteer to serve as CCFD liaisons in their department. They promote CCFD, answer questions, submit paperwork and communicate information. The time spent on CCFD is approved by the Chancellor.

**Umbrella Agency**: CCFD is made up of twelve Umbrella Agencies. American Cancer Society, American Heart Association, America's Best Charities, America's Charities, Black United Fund, Community Health Charities, Community Shares of Illinois, EarthShare Illinois, Global Impact, Special Olympics of Illinois, United Negro College Fund, United Way of East Central Illinois

Benefits of Payroll Deduction

- Makes a meaningful gift over time through small contributions each pay period. Under payroll deduction the minimum of $24.00 a year or $2.00 a paycheck.
- Manage your own philanthropic giving by knowing when deductions start and stop.
- Your tax deductible contributions appear on your W-2.
- Easier way to give as it doesn't require a large one time contribution.

Agency: **American Cancer Society**  
Illinois Division, Inc.

When you support the American Cancer Society, you are joining a worldwide movement to help people stay well, help people get well, find cures, and fight back against cancer. The American Cancer Society is a global grassroots force with more than 130,000 volunteers in Illinois and millions elsewhere. We fight for every birthday threatened by every cancer in every community. Revenue raised in Illinois comes back to Illinois to help fund research, cancer prevention programs, and patient services in our communities. Your support can help us make this cancer's last century.

Thanks to donors like you, the American Cancer Society has achieved some terrific milestones, including:

- Today, 2 out of 3 people diagnosed with cancer are surviving (for at least five years). In fact, more than 400 people a day in the U.S. are celebrating birthdays that otherwise would have been lost to the disease.

- We've contributed to a 20% decline in cancer death rates since the early 1990s. That means we've helped save 1.2 million lives during that time.

- We've played a role in nearly every cancer research breakthrough in recent history.

- We help cancer patients everywhere get help when they need it - day or night. Last year alone, we assisted more than a million people who called us for help, providing free services such as a place to stay while traveling for treatment, rides to treatment, and emotional support. This unique program helps fill the pipeline of cancer researchers by matching science-minded high school students with mentors who are successful, leading investigators.

Agency: American Heart Association

When you donate to the American Heart Association, you are joining us in the fight against our nation’s No. 1 and No. 4 killers – heart disease and stroke. Your donation will support such life-saving efforts as research, education, advocating for better health, improving patient care and reaching populations at risk.

The American Heart Association is the nation’s oldest, largest voluntary organization devoted to fighting cardiovascular diseases and stroke.

Our Mission: Building healthier lives, free of cardiovascular diseases and stroke. Our mission drives everything we do.

What We Do: To improve the lives of all Americans, we provide public health education in a variety of ways.

Part of an international program, Special Olympics Illinois provides year-round sports training, competition and a variety of skill-building opportunities for children and adults with intellectual disabilities. Athletes from every part of the state train for 8 weeks or more in 17 Olympic-type sports: alpine skiing, aquatics, athletics (track & field), basketball, bocce, bowling, cross-country skiing, equestrian, floor hockey, golf, gymnastics, powerlifting, snowshoeing, soccer, softball, tennis and volleyball. They are then eligible to participate at one or more of the 295 separate competitions held each year at the area local, district, regional and state levels, with athletes competing in divisions based on age, gender and ability level.

The benefits of Special Olympics Illinois extend beyond the field of competition. Through Special Olympics, athletes develop a sense of pride and hope. They enjoy greater confidence and self-esteem. And their participation increases society’s overall awareness of what these courageous athletes can achieve when given the opportunity.

Special Olympics Illinois relies solely on the contributions of corporations, individuals and civic organizations to make all of this possible. The organization is not funded by the Kennedy Foundation and is not a United Way agency. Nor does Special Olympics Illinois charge athletes or families to participate in the program. Your contributions support the nearly 22,000 Special Olympics athletes, and additional 20,000+ Young Athletes (between 2 and 7), who benefit from this truly unique programming.

UNCF provides a combination of services to meet the special needs of students (youth) and member colleges and universities. Students in the community and surrounding Chicago area have benefited.

America needs the teachers, scientists, public servants and citizens they will become, we need to make sure that African Americans and other minorities - who will be a majority of the population by 2050 - get the help they need to attend college and graduate. Furthermore, we need to ensure that our students get the education they need before college to prepare them for success in college.

That means America needs UNCF.

UNCF knows how to get students into college, succeed there, and move on to careers of success and service. We have been doing it for 71 years. We give college scholarships to almost 9,000 students at more than 900 colleges each year. We provide financial and capacity-building support to the 37 historically black colleges and universities that are members of UNCF and their 55,000 students.

That record is why more than 170,000 individuals, corporations and foundations invest in UNCF each year. Because America needs college graduates. Because it’s the right thing to do. And because, “A mind is a terrible thing to waste.”

How a charity can join CCFD

CCFD is part of the State and University Employees Combined Appeal (SECA). Under the Illinois Voluntary Deductions Act, the Illinois Comptroller is vested with the duty to qualify petitioning organizations under SECA. A petitioning charity can become qualified under SECA in one of two ways:

**#1 As a stand-alone agency:** In this scenario, the charity will go through the SECA qualification process pursuant to 5 ILCS 340 et al. This process entails obtaining 500 designations from state employees or annuitants within one year. To begin, review the Voluntary Payroll Deductions Act then contact Robert Osgood (217-558-5159), Sara Wooley (217-558-3721), or write to: State of Illinois Comptroller Susana A. Mendoza, Attn: Legal Dept., 325 West Adams Street, Springfield, IL 62704.

**#2 As a qualified charity under an agency:** A charity may contact any CCFD agency and request an application to be accepted within that agency. Each agency has its own criteria, rules, regulations, and fees. Agency contact information is listed in the CCFD Agency Brochure and at www.ccfd.illinois.edu.
