CAMPUS CHARITABLE FUND DRIVE

GOALS

$1.5 MILLION

25% EMPLOYEE PARTICIPATION
Message from the 2018 CCFD Co-Chairs

Dear Colleagues,

At the University of Illinois at Urbana-Champaign, we have always been about helping others and strengthening our community. Today, our commitment is even more vital. You have the opportunity to show how much you care by supporting the annual Campus Charitable Fund Drive (CCFD). Your donation, no matter what the amount, makes a difference and is critically important to our friends and colleagues in the community.

With one gift, you will touch the lives of many individuals and families by supporting one or more of the more than 700 charities participating in the campaign. It is easy to sign up for payroll deductions, and your contribution will make a positive impact for the people served by the participating charities.

The 2018 campaign runs from September 17 through November 9. In previous years, more than 3000 faculty, staff and retirees have participated. Our goal for this year is to raise $1.5 million and to see 25% of our faculty and staff participate. With your help, we can increase employee participation, increase dollars raised for local charities, and promote a culture of giving at the U of I.

Our faculty and staff make the U of I a positive force throughout our community, our region, our nation, and around the globe. Thank you for the role you play in making the lives of so many individuals and families better.

Your giving sparks hope!

Sincerely,

Jeff Brown, Dean - Gies College of Business

Agency: **American Cancer Society**  
Illinois Division, Inc.

When you support the American Cancer Society, you are joining a worldwide movement to help people stay well, help people get well, find cures, and fight back against cancer. The American Cancer Society is a global grassroots force with more than 130,000 volunteers in Illinois and millions elsewhere. We fight for every birthday threatened by every cancer in every community. Revenue raised in Illinois comes back to Illinois to help fund research, cancer prevention programs, and patient services in our communities. Your support can help us make this cancer’s last century.

Thanks to donors like you, the American Cancer Society has achieved some terrific milestones, including:

- Today, 2 out of 3 people diagnosed with cancer are surviving (for at least five years). In fact, more than 400 people a day in the U.S. are celebrating birthdays that otherwise would have been lost to the disease.

- We’ve contributed to a 20% decline in cancer death rates since the early 1990s. That means we’ve helped save 1.2 million lives during that time.

- We’ve played a role in nearly every cancer research breakthrough in recent history.

- We help cancer patients everywhere get help when they need it—day or night. Last year alone, we assisted more than a million people who called us for help, providing free services such as a place to stay while traveling for treatment, rides to treatment, and emotional support. This unique program helps fill the pipeline of cancer researchers by matching science-minded high school students with mentors who are successful, leading investigators.

Agency: **Special Olympics Illinois**

Part of an international program, Special Olympics Illinois provides year-round sports training, competition and a variety of skill-building opportunities for children and adults with intellectual disabilities. Athletes from every part of the state train for 8 weeks or more in 17 Olympic-type sports: alpine skiing, aquatics, athletics (track & field), basketball, bocce, bowling, cross-country skiing, equestrian, floor hockey, golf, gymnastics, powerlifting, snowshoeing, soccer, softball, tennis and volleyball. They are then eligible to participate at one or more of the 295 separate competitions held each year at the area local, district, regional and state levels, with athletes competing in divisions based on age, gender and ability level.

The benefits of Special Olympics Illinois extend beyond the field of competition. Through Special Olympics, athletes develop a sense of pride and hope. They enjoy greater confidence and self-esteem. And their participation increases society’s overall awareness of what these courageous athletes can achieve when given the opportunity.

Special Olympics Illinois relies solely on the contributions of corporations, individuals and civic organizations to make all of this possible. The organization is not funded by the Kennedy Foundation and is not a United Way agency. Nor does Special Olympics Illinois charge athletes or families to participate in the program. Your contributions support the nearly 22,000 Special Olympics athletes, and additional 20,000+ Young Athletes (between 2 and 7), who benefit from this truly unique programming.

Agency: **UNCF-The United Negro College Fund**

UNCF provides a combination of services to meet the special needs of students (youth) and member colleges and universities. Students in the community and surrounding Chicago area have benefited.

America needs the teachers, scientists, public servants and citizens they will become, we need to make sure that African Americans and other minorities - who will be a majority of the population by 2050 - get the help they need to attend college and graduate. Furthermore, we need to ensure that our students get the education they need before college to prepare them for success in college.

That means America needs UNCF.

UNCF knows how to get students into college, succeed there, and move on to careers of success and service. We have been doing it for 71 years. We give college scholarships to almost 9,000 students at more than 900 colleges each year. We provide financial and capacity-building support to the 37 historically black colleges and universities that are members of UNCF and their 55,000 students.

That record is why more than 170,000 individuals, corporations and foundations invest in UNCF each year. Because America needs college graduates. Because it’s the right thing to do. And because, “A mind is a terrible thing to waste.”

How a charity can join CCFD

CCFD is part of the State and University Employees Combined Appeal (SECA). Under the Illinois Voluntary Deductions Act, the Illinois Comptroller is vested with the duty to qualify petitioning organizations under SECA. A petitioning charity can become qualified under SECA in one of two ways:

**#1 As a stand-alone agency:** In this scenario, the charity will go through the SECA qualification process pursuant to 5 ILCS 340 et al. This process entails obtaining 500 designations from state employees or annuitants within one year. To begin, review the Voluntary Payroll Deductions Act then contact Robert Osgood (217-558-5159), Sara Wooley (217-558-3721), or write to: State of Illinois Comptroller Susana A. Mendoza, Attn: Legal Dept., 325 West Adams Street, Springfield, IL 62704.

**#2 As a qualified charity under an agency:** A charity may contact any CCFD agency and request an application to be accepted within that agency. Each agency has its own criteria, rules, regulations, and fees. Agency contact information is listed in the CCFD Agency Brochure and at www.ccfd.illinois.edu.

Thank you for your generous donation.
Your giving makes a difference.

“We make a living by what we get, but we make a life, by what we give.”

*Winston Churchill*
DONATE NOW!
CCFD is an annual campaign and right now is the best time to help us help someone less fortunate. You can give on-line and make your pledge. CCFD comes around just once a year, so don’t put off until tomorrow what you can contribute today.
