GIVING sparks HOPE

CCFD 2019
CAMPUS CHARITABLE FUND DRIVE 2019
AGENCY BROCHURE & PLEDGE FORMS

GOALS
1.5 MILLION
25% EMPLOYEE PARTICIPATION
Dear Colleagues,

At the University of Illinois at Urbana-Champaign, we have always been about helping others and strengthening our community. Today, our commitment is even more vital. You have the opportunity to show how much you care by supporting the annual Campus Charitable Fund Drive (CCFD). Your donation, no matter what the amount, makes a difference and is critically important to our friends and colleagues in the community.

With one gift, you will touch the lives of many individuals and families by supporting one or more of the more than 700 charities participating in the campaign. It is easy to sign up for payroll deductions, and your contribution will make a positive impact for the people served by the participating charities.

The 2019 campaign runs from September 16 through November 8. In previous years, more than 3000 faculty, staff and retirees have participated. Our goal for this year is to raise $1.5 million and to see 25% of our faculty and staff participate. With your help, we can increase employee participation, increase dollars raised for local charities, and promote a culture of giving at Illinois.

Our faculty and staff make Illinois a positive force throughout our community, our region, our nation, and around the globe. Thank you for the role you play in making the lives of so many individuals and families better.

Your giving sparks hope!

Sincerely,

Jeffrey Brown

CCFD Terminology

CCFD: Campus Charitable Fund Drive. CCFD is a once-a-year workplace giving campaign that allows University of Illinois at Urbana-Champaign employees and retirees to conveniently give to the charities of their choice.

CCFD Campaign: The 2019 Campus Charitable Fund Drive begins on Monday, September 16 and runs eight weeks until Friday, November 8, 2019.

CCFD Kickoff will start off the campaign with a Leader Training September 12th at the Levis Faculty Center at 9:30am which will give hints on how various unit leaders make the CCFD campaign successful in their own units. At 10:30am we will break for the 2019 CCFD Charity Fair which will run from 10:30 to 11:45.

CCFD Update: Section and Unit Leaders will gather on Tuesday, October 15. 2019, at the Illini Union, Room A, 2:00pm - 3:00pm to share strategies, celebrate successes. It only lasts an hour and all leaders are encouraged to attend.

Charity Designation: Many of the twelve Umbrella Agencies have individual designated charities to which CCFD contributors can donate. The list is more than 700 designated charities and they can be found on-line at: www.ccfd.illinois.edu

501 (c)(3): These organizations are commonly referred to as charitable organizations. The Internal Revenue Service deems tax-exempt nonprofit organizations who are organized and operate exclusively for exempt purposes as not having to pay federal income tax. CCFD Umbrella Agencies and their designated charities, must be 501 (c | (3) approved by SECA and part of CCFD.

SECA: The acronym used for the (S) State and University (E) Employees (C) Combined (A) Appeal The SECA website is: www.secaillinois.org CCFD adheres to the parameters and policies of SECA.

Agency: **American Cancer Society**  
Illinois Division, Inc.

Thanks to donors like you, the American Cancer Society has achieved some terrific milestones, including:

- Today, 2 out of 3 people diagnosed with cancer are surviving (for at least five years). In fact, more than 400 people a day in the U.S. are celebrating birthdays that otherwise would have been lost to the disease.

- We’ve contributed to a 20% decline in cancer death rates since the early 1990s. That means we’ve helped save 1.2 million lives during that time.

- We’ve played a role in nearly every cancer research breakthrough in recent history.

- We help cancer patients everywhere get help when they need it—day or night. Last year alone, we assisted more than a million people who called us for help, providing free services such as a place to stay while traveling for treatment, rides to treatment, and emotional support. This unique program helps fill the pipeline of cancer researchers by matching science-minded high school students with mentors who are successful, leading investigators.

Agency: **Special Olympics Illinois**

Part of an international program, Special Olympics Illinois provides year-round sports training, competition and a variety of skill-building opportunities for children and adults with intellectual disabilities. Athletes from every part of the state train for 8 weeks or more in 17 Olympic-type sports: alpine skiing, aquatics, athletics (track & field), basketball, bocce, bowling, cross-country skiing, equestrian, floor hockey, golf, gymnastics, powerlifting, snowshoeing, soccer, softball, tennis and volleyball. They are then eligible to participate at one or more of the 295 separate competitions held each year at the area local, district, regional and state levels, with athletes competing in divisions based on age, gender and ability level.

The benefits of Special Olympics Illinois extend beyond the field of competition. Through Special Olympics, athletes develop a sense of pride and hope. They enjoy greater confidence and self-esteem. And their participation increases society’s overall awareness of what these courageous athletes can achieve when given the opportunity.

Special Olympics Illinois relies solely on the contributions of corporations, individuals and civic organizations to make all of this possible. The organization is not funded by the Kennedy Foundation and is not a United Way agency. Nor does Special Olympics Illinois charge athletes or families to participate in the program. Your contributions support the nearly 22,000 Special Olympics athletes, and additional 20,000+ Young Athletes (between 2 and 7), who benefit from this truly unique programming.

For more than seven decades, this principle has remained at the heart of UNCF, enabling us to raise more than $4.8 billion and help more than 450,000 students and counting not just attend college, but thrive, graduate and become leaders.

We do this in three ways: By awarding more than 10,000 student scholarships, worth more than $100 million, each year. By providing financial support to 37 historically black colleges and universities (HBCUs). And by serving as the nation’s leading advocate for the importance of minority education and community engagement.

More than 170,000 individuals, corporations and foundations support UNCF’s mission, by investing in each year. To learn more about UNCF and how your support can make a difference, visit: www.UNCF.org

How a charity can join CCFD

CCFD is part of the State and University Employees Combined Appeal (SECA). Under the Illinois Voluntary Deductions Act, the Illinois Comptroller is vested with the duty to qualify petitioning organizations under SECA. A petitioning charity can become qualified under SECA in one of two ways:

#1 As a stand-alone agency: In this scenario, the charity will go through the SECA qualification process pursuant to 5 ILCS 340 et al. This process entails obtaining 500 designations from state employees or annuitants within one year. To begin, review the Voluntary Payroll Deductions Act then contact Robert Osgood (217-558-5159), Sara Wooley (217-558-3721), or write to: State of Illinois Comptroller Susana A. Mendoza, Attn: Legal Dept., 325 West Adams Street, Springfield, IL 62704.

#2 As a qualified charity under an agency: A charity may contact any CCFD agency and request an application to be accepted within that agency. Each agency has its own criteria, rules, regulations, and fees. Agency contact information is listed in the CCFD Agency Brochure and at www.ccfd.illinois.edu.
